

Richard Anthony Jenkinson (K69-76)

It is with sadness that we report the death of Rich Jenkinson. He was only diagnosed with cancer in March 2019 and died on 17 July 2019 aged 62. There will be a memorial service in October and we will keep you posted. His twin brother Guy has provided the following plus the photos.

“My twin brother Richard has sadly gone after a short battle with the big C , we are devastated, please let our old OF friends know.

Below are a few treasured photos of Richard, 1976 Kerrison House winning pretty much everything including “ The Shield “ being held by Richard and me on the shoulders of Michael Blake (K72-76)! The other photos at the Cavalry and Guards Club a week before he passed enjoying a fag and glass of Claret! My last photo with the old bugger!

He loved Fram and his ashes will be taken there later in the year , his memorial service will be in London , sometime in October TBC .

Sad times, but he is at peace now and without pain. All best Guy “
