

OFGS Autumn Meeting 2014

The meeting was held in cloudy conditions with a light wind on Friday, 5th September at Aldeburgh Golf Club where we were looked after superbly as usual. This year there was another excellent turn out of 26 members. Guy Jenkinson and Clive Beardall made a welcome return some years after their last outings at a meeting at Aldeburgh.

Once again the overall scoring was excellent as can be seen from the results shown below. The Howard-Smith Cup was won for the third year running, and sixth time in all, by Peter Howard-Dobson, an excellent performance.

Before presenting the prizes, Norman Porter, Captain of OFGS, called for a short silence in memory of John Gooderham, a staunch supporter of the Society, who died in June.
