

Invitation to the Heidelberg Old Framlinghamian Dinner 2021

Dear Fellow OF,

It is with great pleasure that we request the honour of your presence at our German OF reunion in Heidelberg on September 4th. The date coincides with the Heidelberg Castle Illumination which provides a wonderful backdrop to celebrate our Anglo-German bonds.

I am delighted that Johannes Tröger (R96-98) agreed to co-host this year's dinner. Our event will fully profit from the wealth of his local expertise and as a special treat he kindly agreed to give us a guided tour of his company. Johannes is Senior Vice President at Ameria AG, one of Germany's most exciting up and coming tech companies, building interactive solutions for industry giants such as LEGO and Porsche. They are located at the newly developed Heidelberg Innovation Park, where we will meet prior to our dinner.
