It is the Lodges 75th Anniversary next April 15th 2023 which we be holding an open meeting to present a history of our Lodge and what Freemasonry is all about. This will also include the Womens Freemason lodges in Suffolk as well as the mens showing that freemasonry is open to everyone.

It will be open to anyone to attend if they wish and there will be a dinner after the meeting. Times and prices to be sorted.
