7th February 2012

Dear Old Framlinghamian

The College is pleased to advise that, in association with The Society of Old Framlinghamians, a number of events are being run for former students; there will be specific reunions as well as general all-round social gatherings. A full list of these will be promoted via the College and the SOF websites and also on Facebook, or you can contact me at the number given below.

To kick-start the year we have reserved an area at the **Cannon & Pitcher**, 28-31 Cornhill, London EC3V 3ND on **Friday 10th February from 6.00pm onwards**. The venue is close to the Bank tube station and London Liverpool Street. There will be some nibbles available and guests will buy their own drinks. Happy Hour finishes at 8.00pm. If you are thinking of attending please **contact** me or pop your name on to Facebook, this way we can ensure the venue can accommodate everyone.

On **31st March** we are inviting OFs from the **'90s** to get together for **Netball** or **5-A-Side football** at the College. If you would like to put a team together, or put your name forward to play/referee, please **contact** me. With sufficient numbers we might be able to have an Inter-House Tournament. Refreshments will be available afterwards.

In June the annual **Suffolk Show** will run on **Thursday 7th & Friday 8th** this year. The College & Brandeston Hall will once again host a marquee, and all Old Framlinghamians are welcome to pop in and have a chat, or just put their feet up over a cuppa.

At the end of June the annual **Summer Family BBQ** at Framlingham College welcomes OFs to catch up with each other in the marquee on the Back.

We very much hope that you can come to at least one of these events. We do not have everyone's email address, so please ask any of your friends to get in **contact** if they would like more information.

Regards.
