

# OF Shooters Win Team Places

Following a successful shooting season, three OF shooters have gained places in prestigious teams.

**John Halahan (Stradbroke 72-75):** after intensive team training and selection over the autumn, John has been selected as reserve for the Great Britain team to the USA and Canada in 2014. A wonderful achievement, against competition of the very highest order.

**James Mehta (Stradbroke 67-75):** following a very successful Imperial Meeting this year James has won a place in the National Rifle Association team touring the Channel Isles in May 2014.

**Jon Ford (Stradbroke 58-62):** after an eventful season including his first Imperial Meeting and coming second in the RAF championships, Jon has been selected for the RAF team touring South Africa in March/April 2014. Apparently this tour will involve a lot of R&R and wine tasting, and knowing the RAF probably the odd cocktail party as well!
