Year 12 London Careers Event

Friday 13th November 2015

Dear OF

We are writing to invite you to become part of a London Careers Network. Students currently in Year 12 (6th form) at the College will be visiting London on Friday 13th November for a day of careers-related experiences. They will visit a careers show at Excel in the morning, and we are hoping that the rest of the day will be an opportunity for current pupils to make contact with OFs working in London. If you are able to help with either of the events detailed below, we would be very grateful.

In the afternoon we would like the students to visit workplaces in London to get an insight into what goes on there. Ideally, students will be in small groups in each workplace, and will be able to split further into pairs to shadow individuals within that workplace. We already have a group of OFs and current parents who have very kindly offered to host placements but we are hoping to find more. If you work in central London and think you could host a group of students at your workplace for a few hours on the day or just need further information, please get in touch: Head of Careers, Catherine Cranmer ccranmer@framcollege.co.uk Tel: 01728 723789

In the evening we will be holding a reception at **TrueStart** in Victoria, kindly hosted by OF Matt Truman and further supported by the generosity of the SOF. We would love all our workplace hosts, plus OFs working in London, to attend as it will be a good networking opportunity and a chance to meet other OFs, current College students and members of the SOF Council and College staff. The students will gather there at **6pm** and have an opportunity to chat with you about careers and work in London. Refreshments will be available. Again, if you are able to attend the reception, please let us know as soon as possible: OF Co-ordinator, Jane Easey jeasey@framcollege.co.uk Tel: 01728 727227

We are also creating a portfolio of work profiles for publication on the SOF website and all those contributing will be included.

Thank you in advance for your support.

Best regards

Jane Easey and Catherine Cranmer
