

OFGS v Aldeburgh Golf Club, Saturday, 10th September 2016

The Old Framlinghamians put out a strong side with several good single figure players but once again were soundly beaten by a strong Aldeburgh team, who made home and a large stroke advantage count. The course was in good shape, with the greens unusually slow and the rough penalising. Two points from Robin Anderton and his partner prevented a white wash on the day. However, the company was good, the lunch first class and overall, apart from the result, it was a very enjoyable day. Rain threatened but the Aldeburgh micro climate ensured that waterproofs were kept in the bag.

The shot of the day was by an Aldeburgh player, a member since 1946, aged 86, on the Par 3 8th, with his tee shot finishing 7' from the pin, and yes, he and his partner did beat the Captain of the OFGS. What a wonderful gentleman he was too!

Result - Aldeburgh GC 8; OFGS 2
