

Framlingham retain the Dick Watson Trophy at Aldeburgh!!

A glorious weekend of very warm autumnal weather saw Framlingham, the holders, competing in The Dick Watson Trophy over the weekend of the 14/15th October at Aldeburgh Golf Club. The team had one enforced change from the previous year's winning formula with Mike Schneidau being replaced by Hugh Curle

After the morning rounds Framlingham were lying third with 69 points, 3.5 and 4 points adrift of the top two teams, Stowe & Glasgow Academy, with Jonny Newton & Hugh Curle scoring 37.5 points and John Wybar & Matt Low scoring 31.5 points. The afternoon matches saw Framlingham improve on their solid morning showing with John Wybar & Hugh Curle scoring 38.5 points and Matt Low & Jonny Newton 33.5, a total of 141, the highest total.

A head to head match followed on Sunday morning between Framlingham and Bradfield, the highlight of which was Jonny Newton holing his second shot on the dog leg 6th hole, stroke index 1, winning the hole against a net three, and then following up with a birdie on the next hole. The Newton/Wybar combination, giving 6 shots to their opponents, finished 4 up, with Low/Curle finishing 1 up in a tight match, receiving 1 shot from their opponents.

Framlingham won by 5 holes.

The golf of the two senior players of Newton & Wybar was excellent all weekend and a pleasure to watch, with good solid performances from Lowe & Curle to back them up. It was a great weekend, great thanks to David Wybar for his organisation of the Tournament, and his team for the presentation of the course. The food and service from Aldeburgh Golf club was to its usual high standard.

We look forward to next Year!

	AM Points:	PM Points:	Total:
Ampleforth	50	50	100
Bradfield	66.5	72.5	139
Charterhouse	64	64	128
