

Runyard Trophy 2018

The Runyard Trophy golf match was held on Monday, 10th September at Bury St. Edmunds Golf club for the first time after several years at Thetford.

This is a six person team Stableford competition for schools in East Anglia, prizes being sponsored by Norfolk and Suffolk Golf Magazine.

Framlingham , the holders, were represented by Robin Anderton, Norman Mayhew, Martin Lamb, Ian Bryce, Barry Hitchcock and Roger Wharton.

The course was in good condition in view of the earlier drought, with greens being quick and true, having been excellently prepared for the final of the Hambro Cup the previous day. Their catering was also mentioned in dispatches by Chris Buisseret, the competition organiser.

This year we could only make second place to a young Norwich team but came away with golf balls none the less.

Barry Hitchcock also won some balls as best scorer of the day with 38 points. Other teams playing were Woodbridge, St. Felix, Southwold and King Edward Sixth.

Many thanks are due to Norman Porter, our non-playing captain/organiser. Being an OF representative match the green fees were sponsored by the OFGS.

Anyone interested in representing the OFGS next year should please contact Norman Porter.
